

Circle of Fun Handout A26

Other toys or household items I could use for this activity:

- _____
- _____
- _____

Which Daily Do I want to focus on practicing:

- _____

When will we do this activity:

- _____
- _____

Which skills or concepts I want my infant to learn:

- _____
- _____

How to do this activity:

1. Use **Ready for Play and Learning** to see if your baby is ready to play and learn. Remember to use **5 Steps to Success** as you help your infant explore their natural curiosity during the activity.
2. Gather 5 to 6 safe household objects or toys that you think your baby will enjoy. Place your infant on their tummy and build a circle around them using these items. Remember to put these objects close enough so that your baby can practice reaching and grasping for them or rolling toward the items.
3. If you're able, get on your infant's level as you watch which object captures their curiosity. Then describe the item by telling them what they're seeing, doing, touching, and feeling. For example, you might say something like: **You see my winter hat. It's furry. You're reaching for it. You got it! You're touching the furry hat.**
