How to do this activity:

1. Use **Ready for Play and Learning** to see if your baby is ready to play and learn. Remember to use **5 Steps to Success** as you help your infant explore their natural curiosity during the activity.
2. Choose a **Picture Storybook** you made and show the pages to your baby one-at-a-time.
3. Describe in detail what is on each page or tell them a story about the pictures.
4. Encourage your infant to touch the book and show them how to turn the pages.
