How to do this activity:

1. Use **Ready for Play and Learning** to see if your baby is ready to play and learn. Remember to use **5 Steps to Success** as you help your infant explore their natural curiosity during the activity.
2. Sing a song to your baby. Make your voice and face expressive. Use corresponding movements with your hands, arms, and face. Feel free to be creative and even create your own songs and words. You might sing something like:

I have two little hands that go clap, clap, clap
 I have two little feet that go tap, tap, tap
 I have two little lips that go kiss, kiss, kiss
 I have two little eyes that go blink, blink, blink
 I have one little mouth that says I love you, I love you

3. Remember to make lots of eye contact with your infant as you sing.
