How to do this activity:

1. Use **Ready for Play and Learning** to see if your baby is ready to play and learn. Remember to use **5 Steps to Success** as you help your infant explore their natural curiosity during the activity.
2. With your baby lying down on the floor, hold their foot up so they can see their toes.
3. Saying the following rhyme, wiggle your infant's toes, one-at-a-time for each line.

This little piggy went to the market. (Wiggle their big toe)

This little piggy stayed home. (Wiggle their second toe)

This little piggy had roast beef. (Wiggle their middle toe)

This little piggy had none. (Wiggle their second smallest toe)

This little piggy went, wee, wee, wee, all the way home! (Wiggle their small toe and then gently tickle their tummy)
