How to do this activity:

1. Use **Ready for Play and Learning** to see if your baby is ready to play and learn. Remember to use **5 Steps to Success** as you help your infant explore their natural curiosity during the activity.
2. Gather the box you taped open or make a tunnel out of another box. Then show your baby how to crawl/walk through the tunnel and how to roll objects through the tunnel.
3. As you play with your infant, talk with them about what they're seeing, hearing, touching, doing, and feeling. Remember to also introduce them to new words like: *under, roll, fast, slide, hide, through, etc.*
