Other things I want my baby to copy me doing:

- _____
- _____
- _____

Which Daily Do I want to focus on practicing:

- _____

When will we do this activity:

- _____
- _____

Who else can do this activity with my infant:

- _____

How to do this activity:

1. Use **Ready for Play and Learning** to see if your baby is ready to play and learn. Remember to use **5 Steps to Success** as you help your infant explore their natural curiosity during the activity.
2. Position yourself so that you're face-to-face with your baby. Then copy your infant's facial expressions, sounds, and/or body movements. Let them know you're copying them by saying something like: **I can do that too... I'm copying you!**
3. Next, take some time to see if your baby will copy you doing things like:
 - Waving good-bye,
 - Making "raspberry" sounds, and
 - Clapping your hands together.
4. Remember, a great time to do this activity is during basic care routines!
