How to do this activity:

1. Use **Ready for Play and Learning** to see if your baby is ready to play and learn. Remember to use **5 Steps to Success** as you help your infant explore their natural curiosity during the activity.
2. Hide a device that plays music under a blanket, pillow, or piece of furniture approximately 10 to 12 feet away from your baby.
3. When they're not looking, turn it on, and ask them to find the music. Encourage them by saying something like:

I can hear music! Do you hear the music?
I wonder where the music is hiding? Can you find it?
4. Continue hiding the music device in different places, showing excitement and pleasure when your baby finds it.
