How to do this activity:

1. Use **Ready for Play and Learning** to see if your baby is ready to play and learn. Remember to use **5 Steps to Success** as you help your infant explore their natural curiosity during the activity.
2. Gather a children's book and place your baby on your lap and show them each page of the book as you let them practice turning the pages.
3. Notice what captures their attention as you share the book together and point at the pictures, asking simple questions or making simple statements. You can also talk about the feelings the characters in the book may be experiencing.
4. Remember, it's normal if your infant does not sit still for the whole story.
