Which skills or concepts I want my infant to learn:

How to do this activity:

1. Use **Ready for Play and Learning** to see if your baby is ready to play and learn. Remember to use **5 Steps to Success** as you help your infant explore their natural curiosity during the activity.
2. Think of different things that you'd like your baby to copy you doing such as: **pointing, smiling, waving bye-bye, etc.**
3. Show your infant the action and encourage them to copy you. With a smile and lots of expression say something like: **Simon Says...Let's wave bye-bye.**
4. Remember, you can also play this game during basic care routines like when you're feeding your infant or giving them a bath. You can show **(baby's name)** different actions and say something like: **Simon Says...Pick up your spoon.**
