

Sticky Shapes

Handout A76

Rectangle

Other shapes I could make for this activity:

- _____
- _____
- _____

Which Daily Do I want to focus on practicing:

- _____

When will we do this activity:

- _____
- _____

Oval

Which skills or concepts I want my infant to learn:

- _____
- _____

How to do this activity:

1. Use **Ready for Play and Learning** to see if your baby is ready to play and learn. Remember to use **5 Steps to Success** as you help your infant explore their natural curiosity during the activity.
2. Gather your **Sticky Shapes** or make some new ones using recycled cardboard and nontoxic duct tape. Then place the sticky shapes on the floor.
3. Show your baby how to pull a **Sticky Shape** off the floor, then support them to try it for themselves. As your infant tries to pull the shape up, describe to them what they're hearing, seeing, touching, doing, and feeling.
4. Remember to let your baby explore the shapes in their own way as well. For example, they might be interested in crawling or sitting on the shapes.
