How to do this activity:

1. Use **Ready for Play and Learning** to see if your baby is ready to play and learn. Remember to use **5 Steps to Success** as you help your infant explore their natural curiosity during the activity.
2. Show your baby their **Talking Box Book**. Then point to each picture and describe the animal or object. As you do this, remember to make the sounds the picture makes and encourage your infant to copy your sounds.
3. As you describe the different pictures to your baby, wait for them to respond with their sounds, words, facial expressions, and body movements. Once they respond to you, talk with them about how they're feeling. You might say something like: **You're feeling curious about the yellow train and how it says, "Choo choo."**
